2022 SOMERSET COUNTY FAIR QUEEN: JENNIFER COUNTRYMAN

My earliest memory of the Somerset County Fair is the stories I was told from my parents and aunts about all the fun they had at the Fair. These stories sparked my interest, and soon I found myself at 7 years old helping Kate Barron, a family friend, show her dairy goats. This is the experience that truly got me interested in showing and the fair as a whole. Every year at the fairgrounds was memorable for me, entering crafts and desserts in the exhibit hall, showing livestock, setting up our 4-H booth, and so many more activities. The fair was my home for one week every summer, and I always looked forward to being there. While living at the fair a week out of the year, I took interest in the lovely young women that were handing out ribbons with a beautiful crown. They drew my interest as they would work hard not only throughout the week of the fair, but throughout the year promoting the fair. I also remember hearing stories about my Aunt Pat, the 1968 Somerset County Fair Queen. After hearing about her reign, and seeing the hard work of the other fair queens, I knew that I wanted to be like them. In August of 2022 my hardwork and dedication to achieving this dream became a reality, as I was crowned the 2022 Somerset County Fair Queen!

This past year as fair queen has been a dream come true, as I have been able to promote our fair and agriculture throughout the community. I have been in parades, attending community events, attending other fairs, and even attending the state fair queen contest where I met amazing people! Now, this experience would not have been possible without the help of some truly remarkable people. Thank you to the Somerset County Fairboard for entrusting me to represent the AMAZING Somerset County Fair, and for the hardwork and dedication you have towards it! Thank you to the Fair Queen Committee, Larry and Gale Hay (the best advisors I could ask for), Mikayla Hagerty, and Brooke Cornell for continuing royal tradition and being the backbone of the Fair Queen Program. A special thanks to the "Camp ground crew" for helping me throughout the years and keeping high spirits even when everyone was exhausted. Thank you to my family and friends for being my cheerleaders, and supporting me through all of my endeavors, you are my biggest support system! Thank you Aunt Shell, for helping me with speeches and making me look my best. Thank you to my Grandparents and parents for teaching me the values that I grew up with, and for giving me the passion to lead others. And finally, thank you Somerset County for attending the fair year after year, the fair would not be possible without you and all that you do!

It has been a truly wonderful year, and an honor to represent the AMAZING Somerset County Fair this past year. It has been a true fairy tale in the land of milk and maple! I look forward to seeing you in August to crown the next ambassador for America's County!

- Your 2022 Somerset County Fair Queen,
Jenny Countryman

PARADE MARSHAL

The Junior Livestock sale (Saturday, August 26th) at the Somerset County Fair has been a part of every youth livestock exhibitor's life for many years. These exhibitors depend on the sale of their animals to recoup some of the expenses from buying, raising, and continuing another project for the next year. The sale in Somerset County over the years has been hugely successful due to all the support from the buyers and all the volunteer help it receives.

An integral part of this sale is having licensed auctioneers to sell the animals for the kids. The men and women that have devoted and offer their time over the years can't be thanked enough. A lot of these auctioneers have been volunteering for years. Some of their parents were past auctioneers and they have kept up the family tradition and continue to donate their auctioning skills each year. Many of them were also past 4-H and/or FFA members who themselves benefitted from the youth sale as youngsters. These talented auctioneers also provide their services at the Woodcarving Auction (Friday August 25th) and the Bake Sale (Sunday August 20th), which benefit a family or individual in need each year. This year's benefits from the auction are going to Logan Weyand, a 16-year-old boy battling ALL (Acute Lymphoblastic Leukemia).

As a THANK YOU to all these auctioneers the Somerset County Fair would like to make them the Grand Parade Marshalls of the 2023 Somerset County Fair.

Age Groups

- A. 4-5 B. 6-7 C. 8-9 D. 10-11

Prizes and Ribbons are awarded in each age category

Each age group will be awarded 1st, 2nd, 3rd, 4th & 5th place prizes presented by B & K Promotions.

Most people think the 10-11 year-old group would have an easy time pulling the sled. However, the 8-9 year olds do better because they have shorter legs and the power goes directly to the pedals.

This event is free to the audience and has been held on the blacktop behind the grandstand, or in the show arena. Rain will not effect this event because it is portable.

Prizes offered by Suder Beverage, Meyersdale

Best 2 out of 3 games

1st: \$50 • 2nd: \$40 • 3rd: \$30 • 4th: \$20

Rules of the Tournament

Scoring Rules:

Rule 1. Sec. a. A shoe must be within 6 inches of the stake to score.

Sec. b. Closest shoe to the stake scores 1 point

Sec. c. Two shoes closer than opponents 2 points

Sec. d. One (1) ringer scores 3 points

Sec. e. Two (2) ringers score 6 points

Sec. f. One ringer and closest shoe of the same player scores 4 points

Sec. g. Party having two ringers against one for the opponent scores 3 points

Sec. h. All equals count as ties and no points are scored (For instance, one ringer each thrown by both players, but player is credited with the ringer thrown on the score sheet by Symbol "O.")

Sec. i. In case each contestant has a ringer, the next closest shoe, if within 6 inches shall score 1 point

Sec. j. In case of tie, such as four (4) ringers, or contestant's shoes are equal distance from the stake causing no score for

either, party pitching last in the inning will start the next inning.

Sec. k. A leaning shoe has no value over one touching the stake.

Rule 2 Sec. a. The points shall be scored according to the position of the shoes at the innings' end, that is, after the contestants have each thrown two shoes. (A game is divided into innings and each inning constitutes the pitching of two shoes by each contestant.)

Rule 3. Sec. a. No contestant, while opponent is in pitching position, shall make any remark or utter any sounds within the hearing of the opponent nor make any movement that does or might interfere with the opponent's playing. Penalty- both shoes of the offender shall be declared foul in the inning complained of.

Rule 4. Sec. a. No contestant shall touch own or opponent's shoe or shoes until winner of the point or points has been agreed upon by contestants or decision is rendered by the referee. Referee shall declare "foul" shoes thrown by a contestant failing to comply with this rule and award points

to the opponent according to the position of his shoes.

Sec. b. No contestant shall walk to the opposite stake or be informed of the position of shoes prior to the completion of an inning.

Sec. c. A player when not pitching must remain on the opposite side of the stake to the player in action and to the rear of a line even with the stakes.

Rule 5. Shoe is "delivered" when it leaves the hand.

Rule 6. Choice of Pitch. Choice of first pitch or follow shall be determined by the toss of a coin. In successive games between the same players, the lower shall have the choice.

Rule 7. Broken Shoes. When a shoe lands in fair territory and is broken into separate parts, it shall be removed and the contestant allowed to pitch another shoe in its stead.

Rule 8. Sec. a. Foul Shoes. A shoe pitched while the contestant stands beyond the box foul limits. A shoe striking outside the opposite pitching box or

on the hard surface area when the courts are so constructed.

Sec. b. Foul shoes shall be removed from the opposite pitcher's box at the request of the opponent

Sec. c. A foul shoe shall not be scored or credited except in the score sheet column headed, "shoes pitched."

Rule 9. Measurements.

Measurements to determine points won shall be made with calipers and straight edge.

All other questions in conducting the contest not covered in the rules outlined above shall be decided according to the last published rules of the National Horseshoe Pitching Association.

Jurisdiction of Officials:

1. The referee, appointed by the tournament committee, shall decide points when contestants are in doubt. He shall also see that rules are complied with.
2. An appeal may be made to the tournament committee if a ruling of the referee is not

considered proper. Decision of the committee shall be final. (Three members of the committee are sufficient to pass on any disputed point.)

3. All protests shall be made immediately as the occasion arises. Protests covering shoes to be used or conditions of play can only be made before the start of the game.
4. No protest will affect the standing of a player after the final placing has been announced by the officials.
5. If rain or other elements interfere, players must stop play and not resume until officials authorize. On resuming play, scores at the time of interference will be in effect; also, the same courts will be used by the contestants unless they agree otherwise.
6. The decisions of the tournament committee regarding technical points not otherwise covered by these rules shall be final.

ANGEL FOOD CAKE CONTEST

1st: \$25 • 2nd: \$15 • 3rd: \$10

First Place Winner is eligible for the 2024 PA Farm Show competition.

1. Open to any individual amateur baker who is a Pennsylvania resident. One entry per person.
2. Entrants may NOT have won 1st place in this Angel Food Cake contest at any other fair in 2023.
3. Entire entry must be made from scratch. No pre-packaged ingredients may be used (ex: pre-made mixes, cookie dough, pie crust, frosting, etc.) All ingredients and decorations must be edible.
4. Pennsylvania produced & packed eggs are requested to be used, if possible. Please look for the PEQAP or PA packaging dates on the carton.
5. The entire cake entry must be submitted for judging on cardboard or other food safe disposable setting. (All pans, plates and dishes are considered to be disposable and will not be returned.)
6. Recipe(s) listing the ingredients and the preparation instructions must be submitted with the entry (printed on one-side of 8-1/2" x 11" size paper). Entrant's name, address and phone number must be printed on the back of all the pages. (All recipes and cakes will become the property of the Fair or PA Farm Show and will not be returned.)
7. Refrigeration is NOT available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned, or otherwise distributed for consumption after judging for food safety reasons.
8. Judging will be based on the following criteria:
 - ▶ **Flavor** (smell, taste, flavoring) 30 points
 - ▶ **Inside Characteristics** (texture & lightness) 25 points
 - ▶ **Overall Appearance** (surface, size, color) 20 points
 - ▶ **Creativity** 15 points
 - ▶ **Topping, Icing or Decoration** 10 points

BLUE RIBBON APPLE PIE CONTEST

First Place Winner is eligible for the 2024 PA Farm Show competition.

1. Open to any individual amateur baker who is a Pennsylvania resident. One entry per person.
2. Entrants may NOT have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2023.
3. Entire entry must be made from scratch. No pre-packaged ingredients may be used (ex: pre-made mixes, cookie dough, pie crust, frosting, etc.) All ingredients and decorations must be edible.
4. Recipe must include at least 60% apples in the filling. It does not need to be a "traditional" two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (All pans, plates and dishes are considered to be disposable and will not be returned.)
6. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2" by 11" paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant's name, address and phone number must be printed on the back side of all the pages. (All recipes and pies will become the property of the Fair or PA Farm Show and will not be returned.)
7. Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
8. Judging will be based on the following criteria:
 - ▶ **Flavor** 30 points
 - ▶ **Filling** (consistency, doneness, moistness & flavor) 25 points
 - ▶ **Crust** (Color, flavor, texture, doneness) 20 points
 - ▶ **Overall Appearance** 15 points
 - ▶ **Creativity** 10 points

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling. The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show. Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2024 PA Farm Show and will receive the Official Certification Form from the PA Fairs Special Baking Contest Committee.

NOTE: If an individual has already won 1st place at another fair in 2023 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2024 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

Blue Ribbon

All health papers and livestock will be checked at gate, before entering fairgrounds.

Must be accompanied by a responsible person. All health papers will be collected (copies acceptable) and held by fair board.

No livestock will be permitted on fairgrounds without health papers!

On-farm biosecurity recommendations

- ▶ Keep new animals isolated from other animals already on the premises for at least 14 days, and care for these isolated animals last, then shower, change clothes, and clean and disinfect boots before moving to other areas of the farm. Check these isolated animals daily for any signs of illness.
- ▶ Treat any animals that have been to a fair or show as if they were new animals. Keep them isolated from the other animals for at least 14 days, care for them last, then shower, change clothes, and clean and disinfect boots before moving to other areas of the farm. Check them daily for any signs of illness.
- ▶ If you have taken horses along to the fair, when you return home, keep them isolated from livestock on the farm for 14 days. Although horses are not susceptible to FMD and many other livestock diseases, they can act as carriers of the diseases and should be kept away from livestock for 14 days for this reason.
- ▶ Do not allow visitors who have traveled from a Foot-and-Mouth-Disease-infected country to enter your property. If they must, have them shower upon arrival, and provide clean clothing and shoes for them. Any items that accompanied them should be cleaned and then disinfected with a cloth dipped in a mild bleach solution (2.5 oz. bleach per gallon of water).
- ▶ Pets that have traveled from a foreign country should be bathed and rinsed in a vinegar solution (50 percent vinegar in water).
- ▶ Do not allow pets to roam freely on your property: They may become carriers of the FMD virus or other diseases and spread disease to susceptible animals.
- ▶ Limit the traffic onto your property, both human and vehicular.
- ▶ Any supplies or equipment that was taken to the fair should be cleaned and disinfected again before it is taken back to the farm.
- ▶ If supplies or pieces of equipment are shared between farms, they should be cleaned and disinfected between farms.
- ▶ Observe your livestock daily for any unusual behavior, especially lameness, decreased appetite, increased salivation, and blisters. Report any suspicious animals immediately to the USDA or PDA, or to your veterinarian. The PA Department of Agriculture has an after-hours answering machine that will alert the veterinarian on call to

return an emergency call. PDA (717-783-2200). USDA (717-782-3442).

Biosecurity checklist for livestock exhibitors

- ▶ No visitors from a country that has animals infected with foot-and-mouth disease have visited my farm within the previous 30 days.
- ▶ Veterinary health inspections and health certificates are current for all of the animals I will be taking to the fair.
- ▶ All equipment, such as buckets, pitchforks, shovels, rakes, wheelbarrows, manure baskets, lead ropes, halters, nose rings, snares, clippers, scissors, brushes, etc., have been cleaned and disinfected before entering the fairgrounds. (A solution of household bleach in water is recommended for disinfection purposes: add 2 gallons of bleach to 3 gallons of water for disinfecting equipment).
- ▶ Any pets that were brought to the fair will not be allowed to run loose, but will be restrained on a leash at all times, and will be washed with a pet shampoo and rinsed with 50 percent vinegar before being allowed outside on farm property after returning home.
- ▶ I have received a list of the recommended biosecurity precautions that I should follow after returning to the farm with the animals that were taken to the fair.
- ▶ Any livestock showing signs of illness, including signs that suggest infection with foot-and-mouth disease, will be reported immediately to the livestock superintendent of the fair.
- ▶ Any questions about disease and biosecurity measures can be directed to the regional veterinarian or animal health inspector, who will be visiting the fairgrounds for daily inspections.

Pennsylvania Department of Agriculture regional veterinarians will be visiting each fair in Pennsylvania this season on a daily basis. The will be available to answer questions from exhibitors and will be doing general inspections of the animals and animal facilities.

Premium List

Instructions for making entries at the annual Somerset County Fair

* All premiums subject to continuation of state funding.

Any person wishing to make an entry, should fill out the entry blank which is provided with this premium sheet or make out a sheet giving the information called for on this blank regardless of whether the article or articles are delivered personally to the fair or sent to the secretary. To have this information in legible form readily available will eliminate much needless waiting and facilitate the work of the secretaries.

Entry day is the first Saturday, 9:00 a.m. to 4:00 p.m. There is a \$4 entry fee for all livestock and \$1 entry fee for Rabbits & Poultry

All livestock entry forms must be in the secretary's office on or before July 15th. Any livestock entry form not received on or before this date may be refused by the Somerset County Fair livestock committee. This show is open to all residents of Somerset County and others in Pennsylvania at the discretion of the livestock committee.

Entries may be sent to the Secretary of the Somerset County Fair Inc., P.O. Box 55, Meyersdale, Pa. 15552, accompanied by an entry form properly filled out. Any costs entailed in the delivery of such articles are to be borne by the exhibitor.

The Fair will use all care to ensure the safety of animals or articles sent for exhibition after arrival but will not be responsible for any damage or loss that may occur.

EXHIBITORS ARE RESPECTFULLY REQUESTED TO FORWARD TO THE SECRETARY, MEYERSDALE, PA., AT LEAST ONE WEEK BEFORE THE OPENING DAY, A LIST OF THEIR ENTRIES, GIVING THE DEPARTMENT, CLASS NUMBER AND NAME OF EACH ANIMAL OR ARTICLE FOR EXHIBITION.

While it is the desire of the Fair to pay all premiums in full as promptly as possible after the fair, yet should any contingency arise such as unfavorable weather whereby the receipts of the Fair are insufficient to do so, then the right is reserved to prorate in all exhibition classes after deducting expenses the money for premiums and the amount so paid will discharge the obligations of the Fair for the current year.

Any exhibitor, parent, sibling and/or guardian of an exhibitor and/or any other similarly situated person who removes any show animal prior to 7 p.m. on the last Saturday of the County Fair without prior written approval from the barn superintendent for the type of animal so removed will cause the exhibitor who owns and/or shows said animal to forfeit any and all premiums awarded for all animals shown by the exhibitor at that year's County Fair and said exhibitor shall also be suspended from participation at the next year's County Fair.

Exhibit hall entries to be picked up

the last Saturday between 7 and 9 p.m. and Sunday 9 a.m. to Noon.

Exhibit pick up passes will be good only on the last Saturday after 7 p.m.

See General Recommendations for Livestock release.

GENERAL RULES

County entries will be entered first. Out-of-county entries will be taken on standby basis.

The Fair will not be responsible for any articles not removed between 7:00 p.m. and 9:00 p.m. Saturday, the closing day of the fair.

No articles will be accepted and judged for premiums unless listed in a category in the premium book.

All premium checks must be cashed within 90 days.

1. All exhibitors agree to be bound by the rules and regulations of the Somerset County Fair.
2. The fair management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage, but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or other wise, whatever may be the cause or extent of the damage or loss.
4. Entries will be made according to classification.
5. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a prize or prizes of such grade as the exhibit deserves. The fair reserves the right to determine how many entries they will accept from an exhibitor in the same class, or in the case of livestock, the same breed.
6. The decision of the judges shall be final in all cases except where mistakes, fraud, misrepresentation, or collusion, not discovered at the time of award, is proven. In such cases, the superintendent, manager, or secretary of the fair or show, or such referee as he may appoint, may make the decision with his approval. The case may be appealed to the Fair Management or Show Commission from whose decision there can be no appeal.
7. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock he is entering. Any item entered improperly, will be disqualified to receive a prize, but the judges will mark the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
8. All entries must be grown, produced or made in the county since the last

fair (except where the fair accepts exhibits from other counties or states.)

9. Superintendents of a department reserve the right of refusing to accept any entry. Furthermore, the superintendents reserve the right to bar from competition animals, vegetables, flowers, poultry, products, and manufactured articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognition.
10. The Fair Management may, at any time, order the removal of any exhibit or part of exhibit in bad condition and any article unfit to show may be excluded. Food products cannot be polluted with any substance or chemical that causes them to become poisonous and unfit to be used as food. The fair should notify the Pennsylvania Fair fund in such cases and may void any premiums that might have been awarded. No exhibit may be removed at any time before the close of the fair except by consent of the management.
11. Every exhibit accepted for premiums must be given an entry tag which must be plainly marked, showing the name of the exhibit. In the case of livestock, the breed name must be shown on cards large enough that the breed name is readily identified by the viewers or, if the livestock is grouped together, according to breeds, one large sign to designate the group will be satisfactory. However, the award winners must be placed on the stall of the pen of the individual winners for the duration of the fair or show and, in the case of poultry entry tags showing species must be plainly exhibited on each coop and winning stickers must appear on such entry tags showing winners.
Failure to comply with this regulation will result in forfeiture of premiums. It will be the duty of the fair or show officials to see that this regulation is complied with. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of fair or show which shall be supplied by the fair, free of charge.
12. During the judging, buildings, except livestock arenas, are to be closed to everyone except fair officials, judges, and necessary attendants. No exhibitor or his agent shall communicate with the judge during time of determining the awards except to answer questions proposed by the judges. Any exhibitor or persons interfering with the judges while making awards shall forfeit any premiums to which he would otherwise be entitled.
13. All livestock offered for premiums must be the property of the owners thirty (30) days or longer.
14. No person shall be allowed in the ring while stock is being judged except judges, superintendents, and necessary attendants.
15. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position, if, in the opinion of the judges, the animals are worthy

of such prizes. Disqualification will include immediate removal of animal from fairgrounds and forfeiture of all premiums and awards.

16. Overfitting of cattle, sheep, hogs and goats, will be discriminated against. Any artificial means used to change the form or shape of an animal will disqualify it from competition. No mechanical or injectable alterations made to animals. No muzzles on lambs or goats.
17. When on exhibition in the ring, each animal must be under halter and in charge of owner or employee.
18. Joint ownership considered to be as one owner in accordance with regulation papers.
19. Livestock may be judged on the Danish System for ribbon awards only, but not for reimbursable premiums.
20. See new scrapie rules for sheep and goats.
21. Any exhibitor or other individual who alters pen assignments or removes panels or gates without barn superintendents approval is subject to disciplinary action at the fairboards discretion.

NON-COUNTY RESIDENTS

** In keeping with the policies of other county fairs, all Exhibits will be limited to Somerset County residents only.

** County entries will be entered first. Out-of-county entries will be taken on standby basis.

COUNTY FAIR LIVESTOCK PASS POLICIES

Each livestock exhibitor will receive one pass regardless of how many animals he/she is exhibiting.

Each exhibitor family will receive one vehicle-driver pass which will be designated for use at the Barn Gate.

ENTRY DAY – First SATURDAY,
9:00 a.m. to 12 noon

Entry Fee \$4.00

Judging Monday, 10 a.m.
after rabbit judging

Owners are responsible
for the feeding and care
of their own animals.

Exhibitors must enter three
or more animals to be
eligible for weekly pass.

HEALTH REQUIREMENTS

Pennsylvania Bureau of Animal Industry regulations require that fair or show secretaries submit an AAI-34 (Entry Report Form for Fair and Show Secretaries) listing all expected poultry entrants no less than 10 days before the show.

Regulations also require that the Bureau of Animal Industry must

be notified of planned bird shows (Pigeon, canary, parakeet, etc.) at least 30 days prior to the show date. The fair secretary should submit an AAI-48 (Bird Show Notification Form) giving the date and location of the show.

Bird Testing is required. Due to budget cuts the Dept of Ag is charging for the bird tests this year.

* Flock owners must endorse official certification that all poultry and birds for exhibit originate from flocks free of evidence of contagious diseases.

** Pennsylvania chickens must be from home flocks vaccinated for laryngotracheitis (LT) no more than one year, and no less than 30 days, before opening date. LT Vent Brush vaccine must never be used.

Date of vaccination

Vaccine Brand Name

Lot No.

Save vaccine box at home
for your permanent record
of brand and lot number.

Use vaccine for intranasal (in) or
intraculac (io) administration only.

Since all birds returned from
the show are potential sources
of infection to other birds, they
should be isolated immediately
after their return, separate and
apart from all other birds. This
isolation should be maintained
indefinitely, if possible, or at least
until it has been established
that the birds are not carriers of
disease-reproducing agents as
may be determined by exposure
of a few susceptible birds to
direct contact with them.

Entry Requirements

1. One entry in each class per individual.
2. Any Breed recognized by Poultry Association will be accepted.
3. Entry Fee \$1.00
4. Meat poultry will be weighed in at time of entry. One pair per person. Meat birds will be banded at time of normal poultry testing in July. A maximum of 6 birds may be banded per person. The meat poultry sale is not sponsored by the Jr Livestock Sale and therefore does not impact the number of animals allowed to be sold per exhibitor.

County entries will be entered first. Out-of-county entries will be taken on standby basis.

The message should be understandable to the viewer for whom the exhibit was intended.

DESIGN 20 points

Elements of the exhibit should be placed to give a sense of unity to the whole. The message should be a part of the design and not something apparently added as an afterthought. Simplicity is the key here.
